European garrisons participate in Memorial Day ceremonies

U. S. Army Garrison Stuttgart and American Legion Post 6 will host a Memorial Day ceremony May 28, 11 a.m., on Washington Square near the Patch Barracks Chapel.

U.S. Army garrisons throughout Europe will be participating in Memorial Day programs being held at American Battle Monuments Commission cemeteries this weekend, along with additional planned events.

During ceremonies at ABMC locations, each cemetery gravesite is decorated with a U.S. flag and that of the host country. According to the ABMC, these programs include participation by U.S. embassies, a reading of the President's Memorial Day Proclamation, speakers, presentation of the colors, wreath-laying ceremonies, and performances by military bands and units.

Some garrison-sponsored community events in Germany include: USAG Hohenfels is holding a wreath-laying ceremony Thursday in front of the Joint Multinational Readiness Center headquarters. USAG Mannheim is planning a ceremony on Monday, 10 a.m., at Veterans Park across from the post commissary. It also will hold a 10-year-anniversary ceremony for its Friendship Circle at 9 a.m.

In Friedberg, the recently inactivated 1st Brigade of the 1st Armored Division will hold a memorial service Thursday for all of its fallen Soldiers from an Iraqi deployment that ended in February – the last chance to do so officially as many troops are leaving within days.
